

Love Our Plum Tree Creek

Once upon a time, there was a beautiful little river in Zhuwei, Tamsui.

I see a river in Zhuwei, a river in Zhuwei.

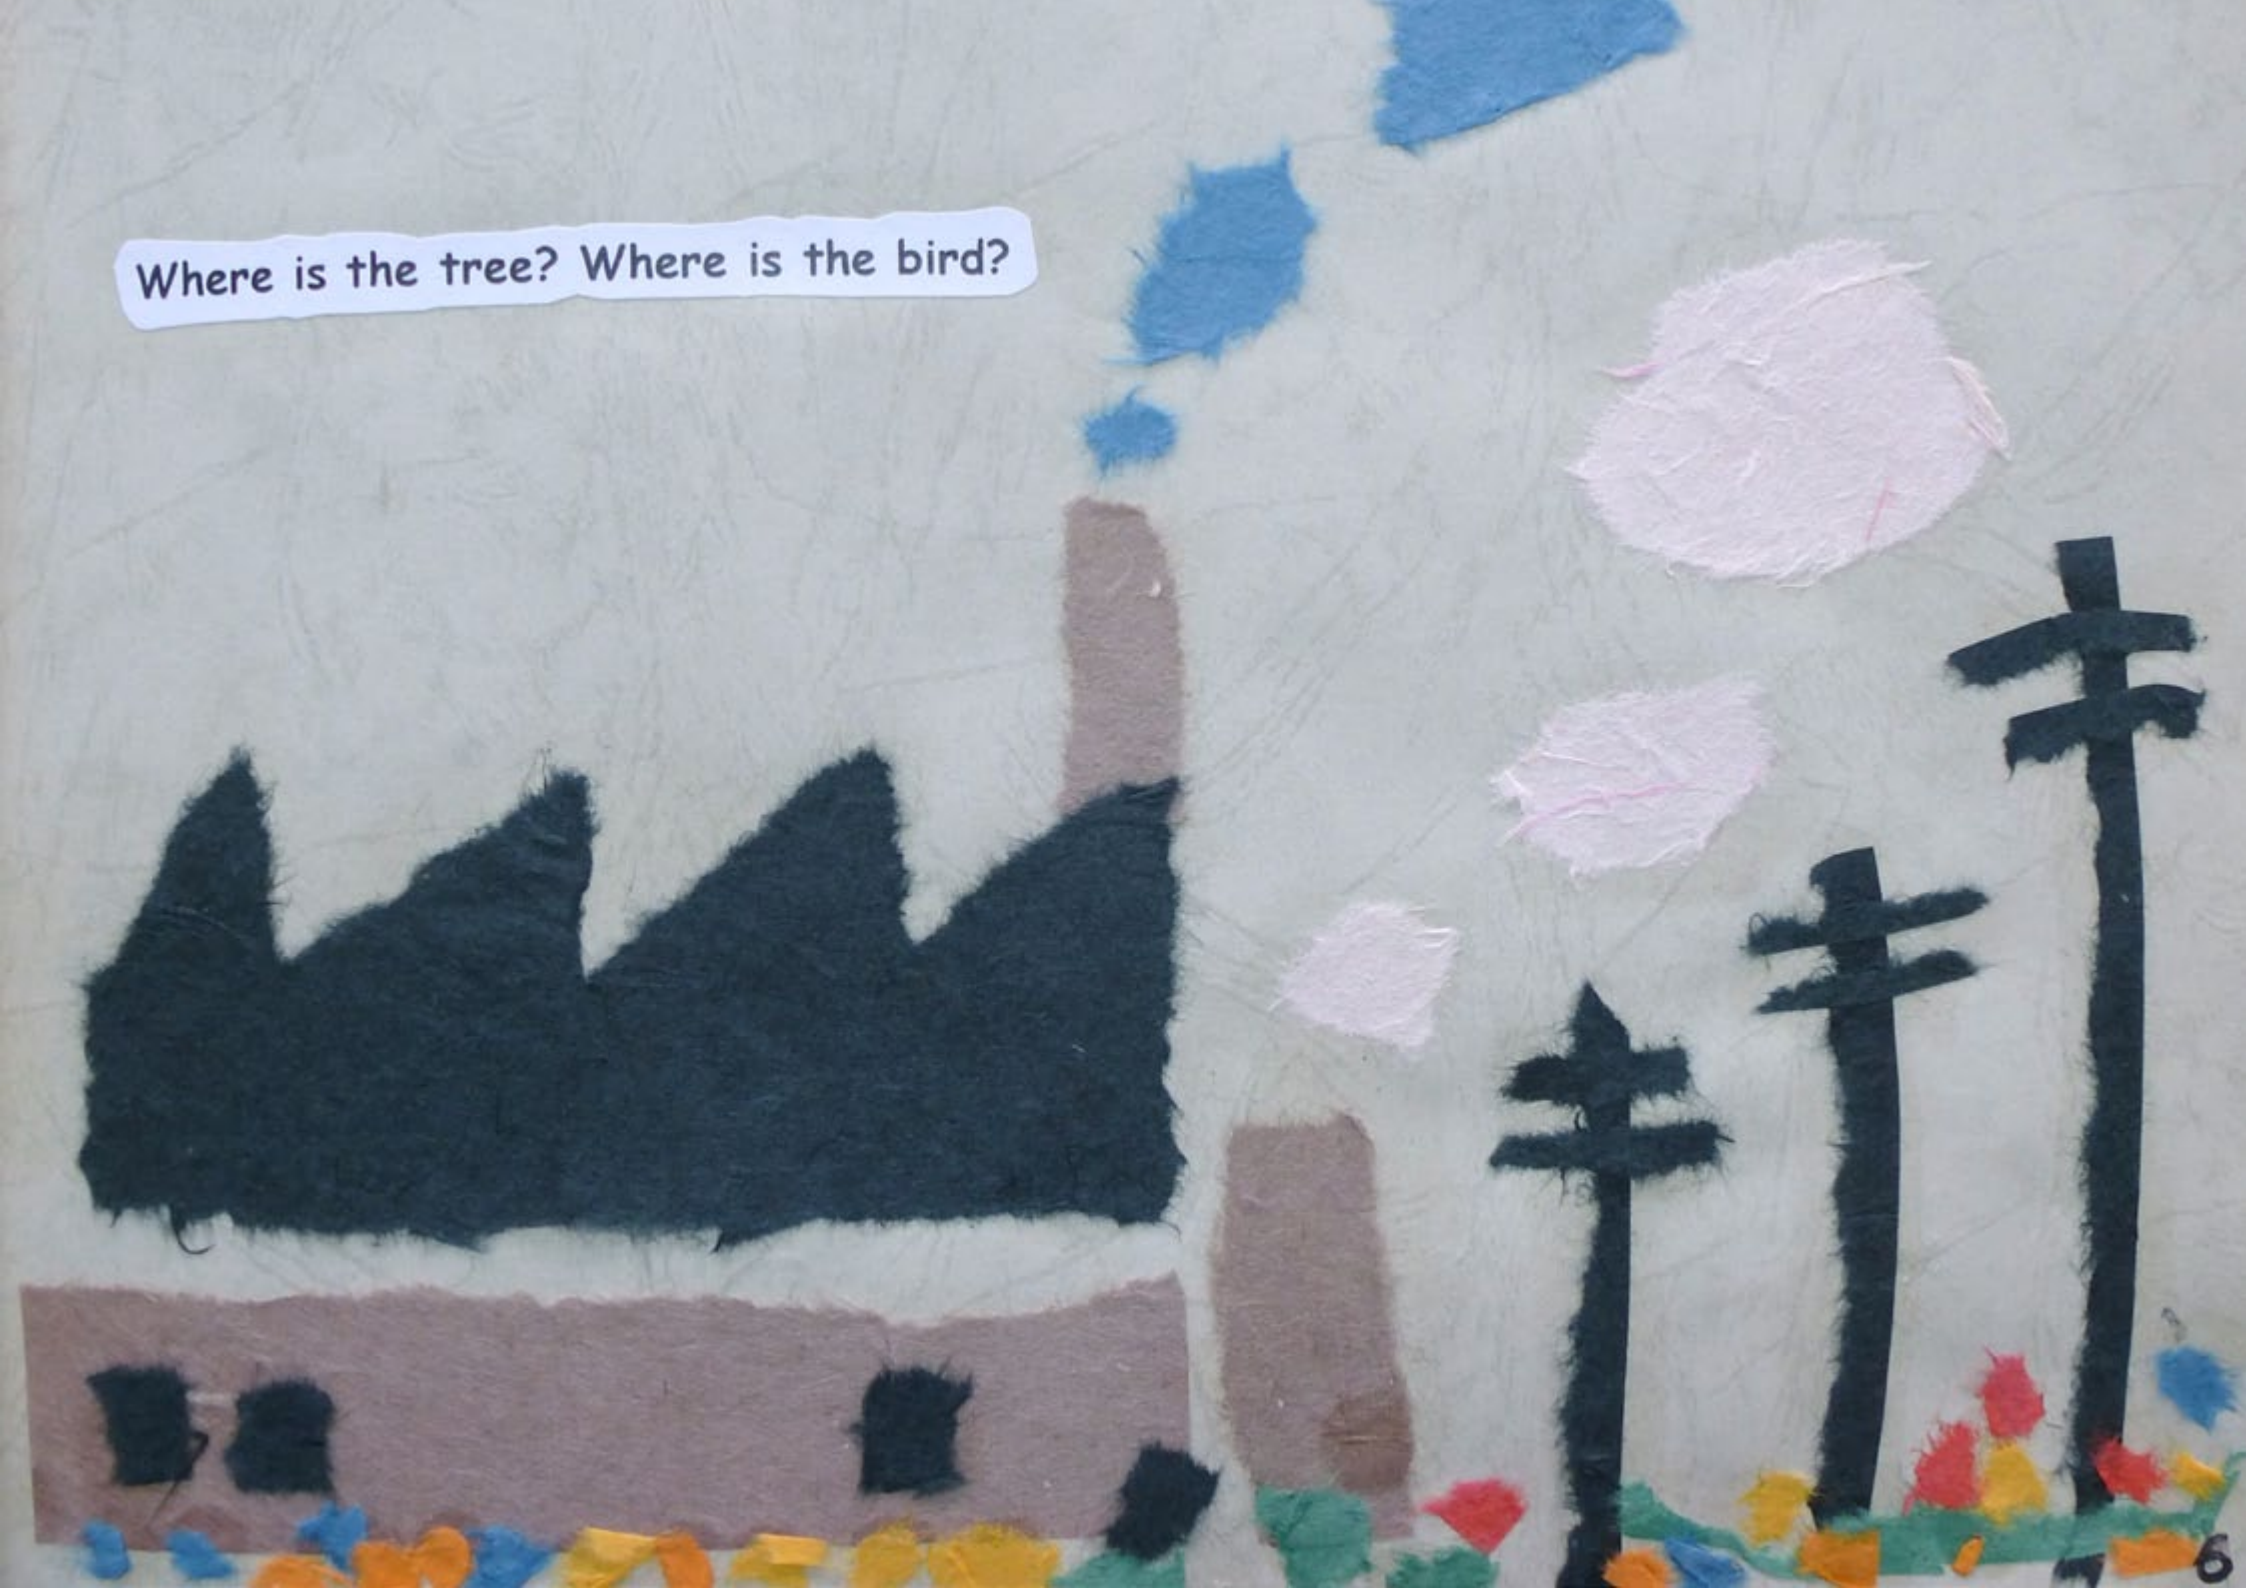

It was a pretty river, now only in our dream.

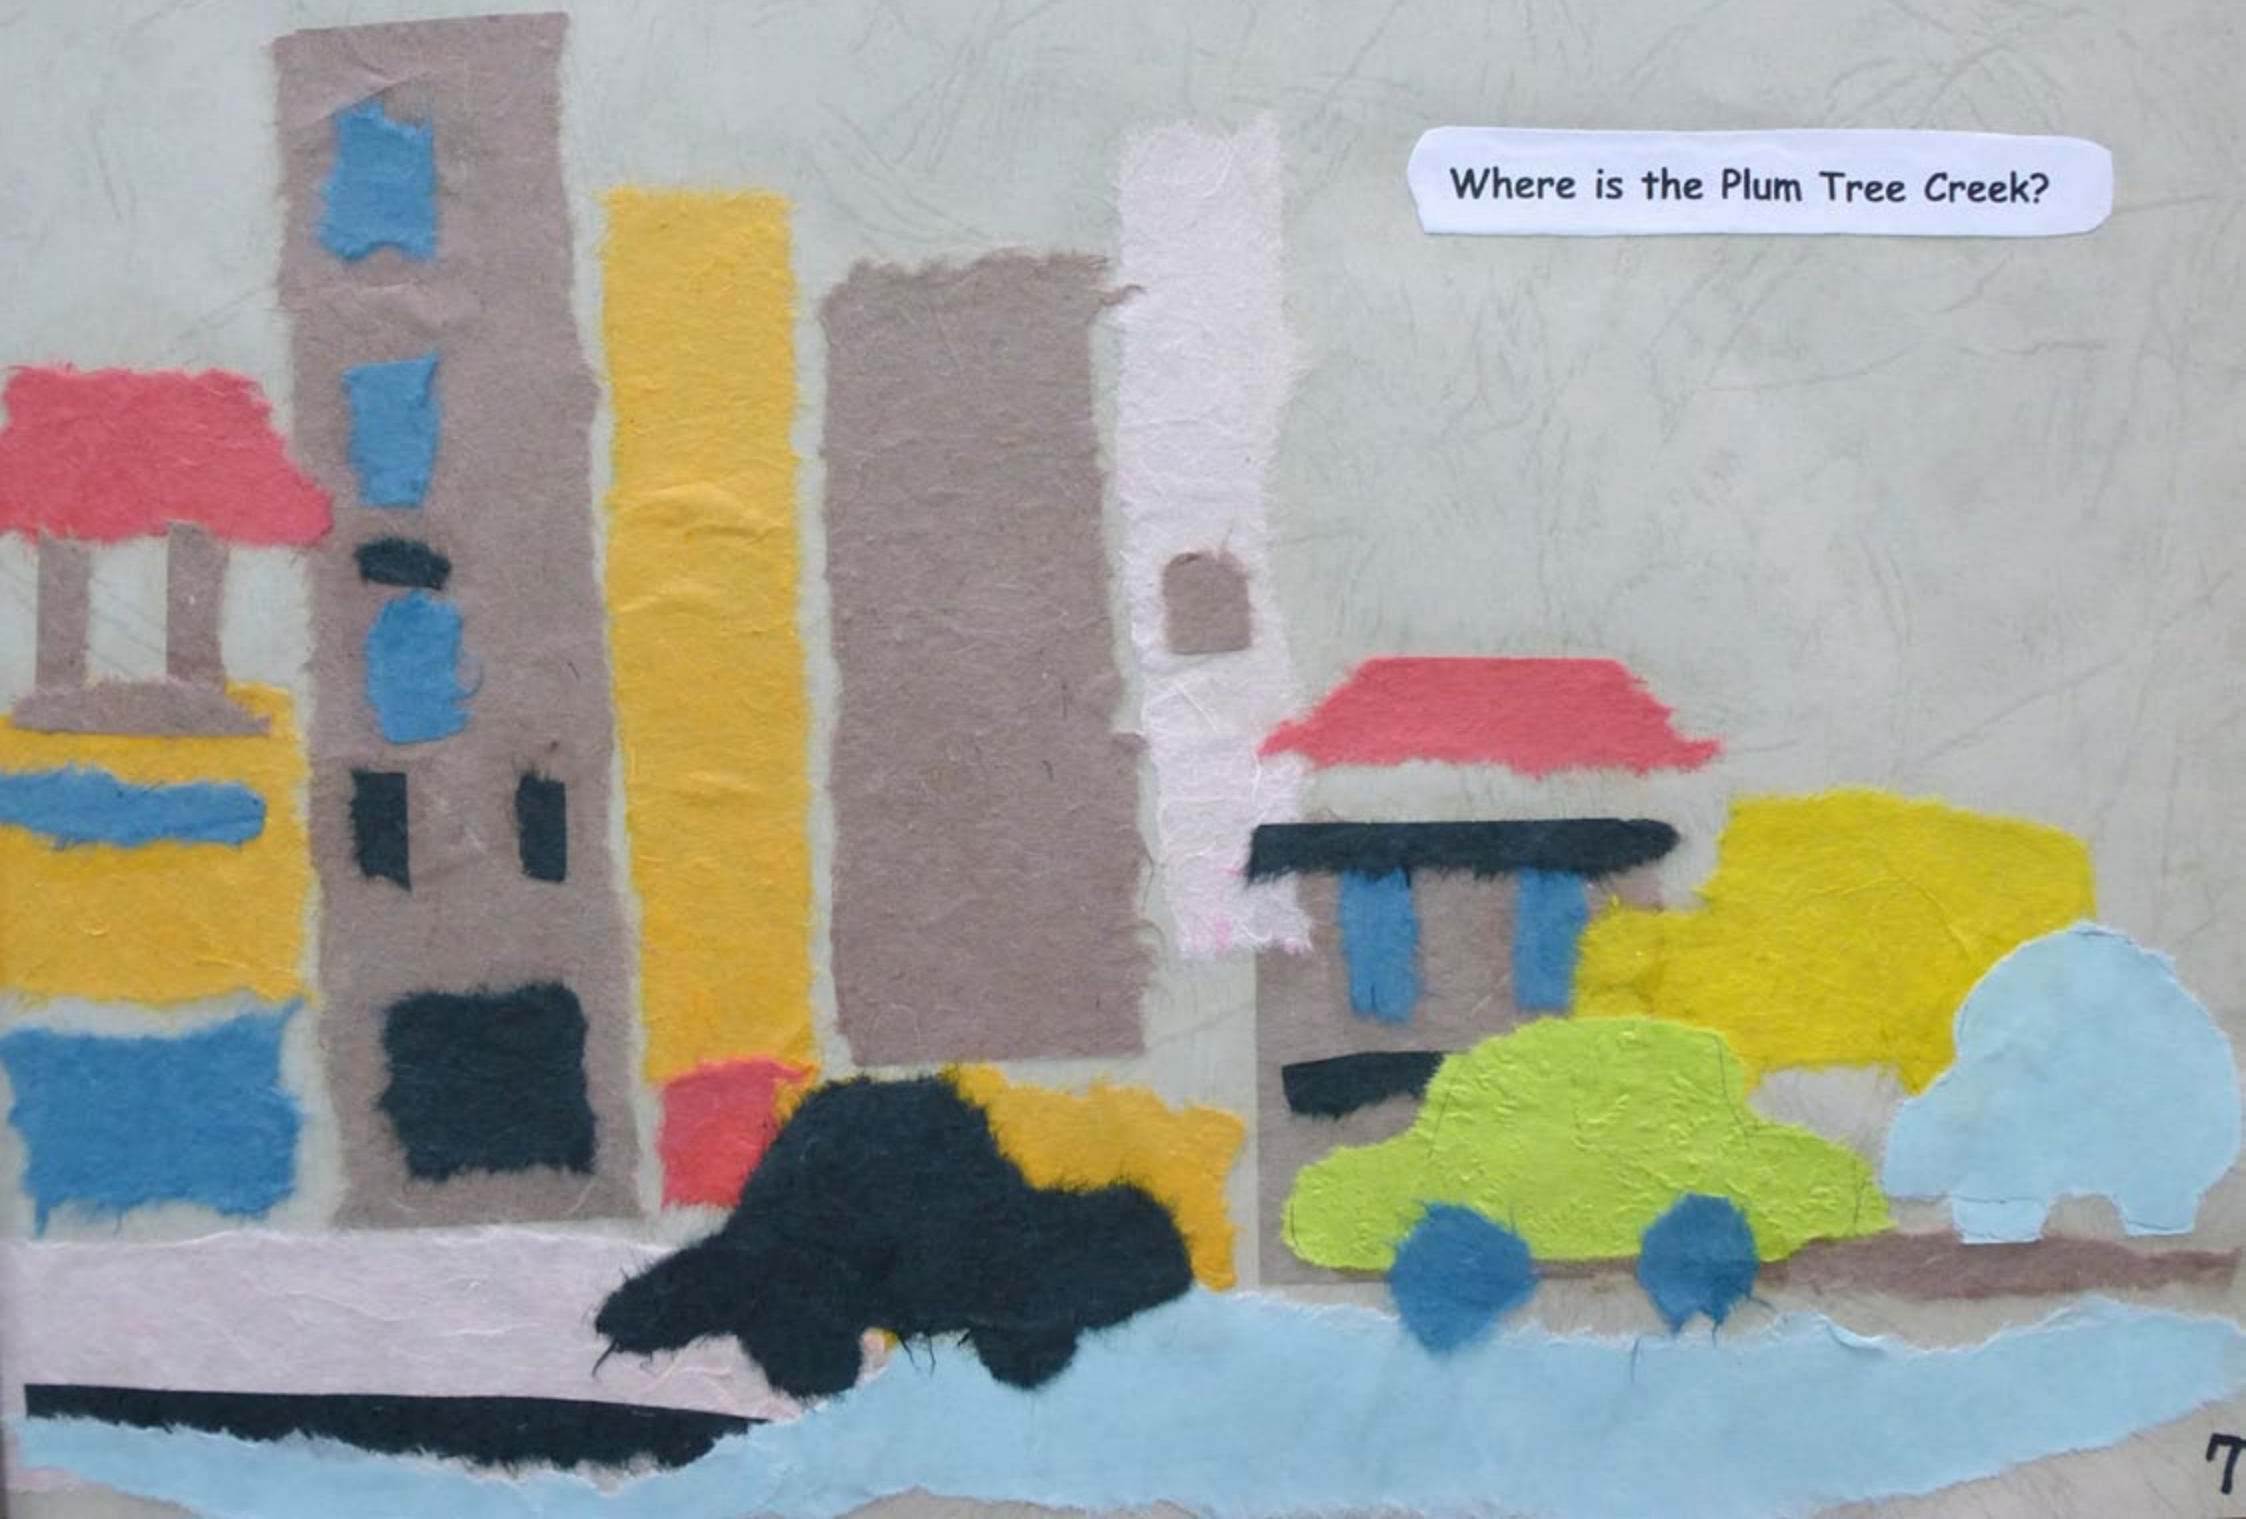

Where is the tree? Where is the bird?

Where is the Plum Tree Creek?

Love our homeland, love our Zhuwei!

Love our Plum Tree Creek.

Let's plant more trees to make a green world.

Let's do recycling to reduce the pollution.

Let's voice out for our river, for our nature.

Where is the Plum Tree Creek?

Love our homeland, love our Zhuwei,

Love our Plum Tree Creek.
